

CSEPP Policy Paper Number 8

Review of CSEPP Exercise Initiating Events

The purpose of this document is to establish a review panel for CSEPP exercise initiating events.

The USADAOS/FEMA Regional Exercise Directors will submit each initiating event to the review panel through the cochair of the CSEPP Exercise Subcommittee. The panel will consist of representatives from USANCA, FEMA HQ, AMC HQ, CRDEC, and ASA (IL&E). Panel members, upon receipt of the initiating event scenario, will provide comments and return them to the CSEPP Exercise Subcommittee Cochair within five working days. The cochair will consolidate the comments and provide feedback to the exercise co-directors within two working days.
